

IT is more complex than ever before and must go further than simple tech support. Information technology for growing businesses now involves people, processes, and an intimate understanding of the business itself. A sound and integrated technology strategy is required to mitigate risks, boost productivity, and create continued success.

"InsITe is not your typical IT company selling products for short-term fixes. We invest in a long-term IT strategy for your company's growth."

TECHNOLOGY HAS EVOLVED, HAS YOUR BUSINESS?

Today's competitive economy and the next-gen workforce demands the ability to work from almost any location, from any device. We can make this possible while helping you achieve maximum security. It's our new reality, let's achieve it together.

THE LAST PROVIDER YOU'LL EVER NEED

The InsITe Team becomes much like our Client's very own internal IT department with familiar faces who understand you and your business, aligning a technology strategy to match.

WHY INSITE?

- We learn about your company goals and processes before diving in
- We provide a long-term strategy with business growth in mind
- It's easy to get started and you won't be forced to sign a contract
- We assign a dedicated & consistent Team

GAIN ADVANTAGES

- Holistic Systems + Applications strategy
- Hands-off systems management
- No-worry security and compliance
- Leverage data and gain insights

Our Top Services

We're **not your typical IT company**, and we mean it. We provide long-term IT solutions customized for each Client.

Cloud Solutions

Tapping the power of world class data centers to optimize uptime, reliability and cost. Adapt to today's business needs.

Data Security

Keeping up with the continually evolving demands of security to ensure your most important information stays safe.

Business Apps

Providing the applications your business needs to save time, close gaps, and make the work day all that much easier.

Mobile Integration

Ensuring your employees have access to the programs and information they need, regardless of device or platform.

On-site & Hybrid

Working with trusted manufacturers to build, secure, maintain, and connect your on-site server network to the cloud.

System/Apps Management

Support, Maintenance and Monitoring of your systems and applications putting our Clients ahead of the reaction curve.

Free Assessments

Using Azure? Wanting to migrate to the cloud? We offer cost optimization and migration feasibility assessments.

Azure Cost Optimization:

We've saved some of our client's as **much as \$70,000!**

Office Mobility:

We assess mobility and offer a **free test drive** of Microsoft 365

Cloud Migration Feasibility: Let InsITe **evaluate feasibility** and build an **effective strategy**

InsITe Advantage

We employ our **ESIM (Evaluate, Strategize, Integrate, Maximize Results)** process in every project we take on. ESIM is the secret ingredient in all we do, and this mindset makes sure we **understand the problem before we strategize to find the best solution.** It is a structured approach to your needs and allows us to find the very best solutions for your business, long term.
